

Kiwanis Farm Days

Saturday, November 1, 2025

9 AM - 1 PM CT Westbrook Farms

Kiwanis Farm Days is an exciting new community tradition launched by the Kiwanis Club of Bowling Green, which has proudly served the community for over 100 years. Rooted in our mission to support children and families, this inaugural event celebrates our region's deep agricultural heritage while creating fun, hands-on experiences for all ages.

Inspired by generations of local farmers and the vital role agriculture plays in our lives, Kiwanis Farm Days will feature interactive exhibits, petting zoos, tractor displays, equipment demonstrations, farm games, and kid-friendly educational stations.

The goal of Kiwanis Farm Days is to provide families with meaningful time together, build awareness of where our food comes from, and spark youth interest in agriculture and healthy living. True to the Kiwanis mission, all proceeds from the event will support local programs that improve the lives of children.

For over a century, the Kiwanis Club of Bowling Green has been committed to building a stronger community. With Kiwanis Farm Days, we're planting the seeds of a new tradition, one that celebrates our past while investing in the next generation. We invite you to join us for this unforgettable experience and help us grow something special for years to come.
